The Two50Two building is open and continues to be home for many students.

During this uncertain time, General Capital Management has been diligent in our efforts regarding the COVID-19 outbreak. Helping to protect our residents at Two50Two and other MIAD Housing locations is of the utmost importance. Frequently sanitizing common areas, practicing healthy hygiene habits, and practicing social distancing are some of the ways we are committed to minimizing the spread of the virus. As a company, we will continue to monitor and follow the guidelines of the CDC, as well as, Wisconsin state and local governments.

If you are choosing to move out of Two50Two:

Please contact Mary Varga at mary@generalcapitalmanagment.com to confirm a move out time.

Be prepared to take **ALL** of your personal belongings. Do not leave anything behind, for any reason. Do your fair share of cleaning your apartment.

There are move out forms and key packets in the lobby that need to be filled out. Place keys/FOB/laundry cards in packets clearly marked with your name and unit number. If the office is closed, slide the form and key packet under the office door.

If you are concerned about the condition of the apartment after you've cleaned, please take pictures and email them to mary@generalcapitalgroup.com.
